

KinderTEK

Get Tech Ready for KinderTEK! Pro Connected Connectivity Checklist

Connectivity: WiFi Check

The KinderTEK Pro Connected app is designed to work while on an internet connection. Confirm school WiFi connectivity on ALL your iPads.

Go to Settings

- Touch WiFi
- Choose your most stable school WiFi connection
- Enter your school WiFi credentials/password
- Were you successful? Look for the WiFi symbol in top left of home screen

KinderTEK App Download

Is the KinderTEK app downloaded onto all of your iPads?

Connectivity: Activate KinderTEK on iPads

On EACH iPad, log into KinderTEK's Manage Users section with your teacher login information

This only needs to be done once at the beginning of the year for each iPad. It will let the iPad know whose class will be using KinderTEK and will integrate all the student roster information we've set up for you. You need WiFi connection for this process.
